The analysis found that the raw number of votes cast dropped in all of them in 2020 compared to 2016. The predominantly Black wards were identified by L2, a widely used proprietary voter database, and total votes cast came from the Milwaukee County Clerk's Office. In all, voters cast 1,222 fewer votes in those 17 wards than in 2016, Wisconsin Watch found — a drop of nearly 11%."	Read	MMS		Inbox		12/3/2020	12/3/2020 2:36:37 PM(UTC+0)

	Haley Vince				Low	Incoming	My guess is that they will not address the communications challenge well. Also, they are going to be trying to cover every Trumpian policy area, which means they won't cover all of them with excellence. They will certainly cover well the areas they like most. Which makes me think that if we were to focus our efforts squarely on the challenge from China with a Trumpian perspective, and only a handful of experts, we could carve out a nice niche. For example, I think they are going to have Robert O'Brien. But will they have John Ratcliffe? Pottinger? Keith Krach? Center for a Great America is a good name to take on the China challenge. And by the way, the key trump policies of trade and strong borders and immigration control all flow from a China focus (as do all economic policies). _	Read	MMS			Inbox			12/29/2020	12/29/2020 5:44:41 AM(UTC+0)

	Haley Vince				Low	Incoming	Cliff - we had a nice long conversation with Chris Miller tonight, including discussion about our ideas for the Center. He's very interested. He thinks it's a terrific idea. We didn't ask him to commit but I think we have strong foundation with him and I think he would be in. He said he has met Ratcliffe and we told him our initial thought was to build the organization around three principals informed by the ideas and capabilities we discussed the other night. Next step we have to prepare a slide deck or 1-2 pager that is the required minimum necessary to share with Ratcliffe to sell him on idea (with the notion that he would be jumping in with Miller and hopefully Krach (if Ratcliffe can also help sell him). _	Read	MMS			Inbox			1/29/2021	1/29/2021 5:08:23 AM(UTC+0)

	Haley Vince				Low	Incoming	What's brief? I can send you immediately a one pager on me pre-WH but I have not updated to reflect WH experience. Do you have a model? And what's the purpose? An internal document to inform Eric how to position us? Other? We both got a medal from the sec def that had a terrific description of our WH contributions. More than what we would want out there publicly. The end use would be helpful because there are different ways to "sell" what we did in WH depending on end use. 	Haley Vince				Low	Incoming	Ok. Then length will be important to know as well as some sense of what really excites potential clients that we are targeting.	Read	MMS			Inbox			1/29/2021	1/29/2021 9:37:29 PM(UTC+0)

	Haley Vince				Low	Incoming	Mike - Ross has the identical citation from the Secretary. It's a good concise description of our efforts over the last four years as it relates to national security.	Read	MMS			Inbox			1/30/2021	1/30/2021 12:59:49 AM(UTC+0)

	Haley Vince				Low	Incoming		No, I am only sharing with Mike as a flavor for the type of positioning description we could give depending on the target audience. If I was targeting Hollywood type film production I would emphasize our experience storytelling and helping to produce the totality of an event through speechwriting.
